*Graduation Rate data reflects the percentage of the Fall Cohort who completed a credential at CACC before transferring to another college/university.

**Transfer-Out Rates reflect the percentage of the Fall Cohort who transferred to another two-year or four-year college after leaving CACC. This information is collected by using the National Student Clearinghouse StudentTracker^{SM} , the only nationwide source of college enrollment consisting of more than 3,600 colleges and universities who regularly provide enrollment to the Clearinghouse.
