

2015-2016 Pell Award Chart

The amount of the Pell Grant a student is eligible to receive is dependent on several factors, including the Expected Family Contributions (EFC) from the FAFSA, the student's enrollment status (full-time, ¾ time, ½ time, less than ½ time), and whether attendance is for a full academic year or less. Students who have questions regarding the amount of their Pell Grant should contact the Financial Aid Office.

*EXCEPTION: Calculations for clock hour conversions programs are paid federal aid based on clock hours – not academic credit hours. LPN is a clock hour conversion program. Students who have been admitted to the LPN program should refer to the Clock-Hour Conversion Table. (*Single term amounts could slightly differ based on rounding. Amounts subject to change.)*
