## Section 702 of the Veterans Choice Act Application for Waiver of Out-of-State Tuition Rate

Section 702 of the Veterans Access, Choice, and Accountability Act of 2014 requires schools to bill covered individuals using Chapter 30 Montgomery GI Bill, or Chapter 33 Post-9/11 GI Bill at the in-state tuition rate if they meet the requirements of the law, even if they are classified by the College as out-of-state residents for tuition purposes. To apply for the waiver of the out-of-state tuition rate, please complete the following application and return it to the Financial Aid Office with supporting documentation.

### C. Required Questions/Documentation

- Attached is a copy of my Certificate of Eligibility for Chapter 30 – Montgomery (Active Duty) GI Bill.
- Attached is a copy of my Certificate of Eligibility for Chapter 33 – Post/911 GI Bill (Veteran)

- Attached is a copy of my Certificate of Eligibility for Chapter 33 – Post 9/11 GI Bill (Dependent – “Transfer of Entitlement”)

**D. Statement of Understanding – Student Responsibilities**

Please indicate below your acceptance of the following conditions:

- This is an application to be considered a Covered Individual under Section 702 of the Veterans Access, Choice, and Accountability Act of 2014. The burden of proof is on the student to provide appropriate documents that demonstrate they are eligible to be classified as a Covered Individual.
- Neither this application nor eligibility for Section 702 of the Choice Act changes residency classification. An out-of-state resident will remain out-of-state; however, while eligible for Section 702, that student will be billed tuition at the in-state rate while using Chapter 30 or Chapter 33 VA education benefits.
- I must immediately report any changes in enrollment to the CACC VA Certifying Official, along with an explanation for dropping or withdrawing from classes. Note that a reduction in credit hours may result in a change of eligibility for benefits even after disbursement has occurred and may create a debt.
- VA benefits may be discontinued if I fail to maintain satisfactory academic progress/attendance toward degree completion. I understand incomplete grades must be completed by the middle of the subsequent term or VA benefits may be reduced or interrupted. Loss of benefits could revert back to the first day of class resulting in debt being incurred by the student.
- I am responsible for paying any charges (tuition and fees) that are not covered by my Veteran's benefits.
- I understand that I will be liable for any overpayment I might receive from the Department of Veteran Affairs.

**I have read the above statements and will adhere to the policies described therein.**
