

Non-Credit Skills Training

The College provides short-term non-credit skills training options designed to prepare students for high-demand job opportunities. Students complete competency-based courses leading to short term credentials and licensure required by industry.

Truck Driver Training

The non-credit Truck Driver Training course prepares students to pass the Commercial Driver License (CDL) test. Both Class A and Class B licensure options are available. Students must meet eligibility requirements set by the College in compliance with the Alabama Law Enforcement Agency (ALEA).

Heavy and tractor-trailer drivers transport goods from one location to another. Most tractor-trailer drivers are long-haul drivers and operate trucks with a total weight exceeding 26,000 pounds for the vehicle, passengers, and cargo. These drivers deliver goods over intercity routes that sometimes span several states. Class A and Class B instruction is provided in this program.
