

# 2020-2021 CATALOG ADDENDUM

Central Alabama Community College (CACC) reserves the right to make changes in the offerings and regulations announced in publications as circumstances may require. Every reasonable effort has been made to present information, at the time of publication, that accurately describes the curriculum and the regulations and requirements of the College; however, no responsibility is assumed for editorial or publication errors. Statements in the catalog do not establish contractual relationships and the College reserves the right to make changes as required in course offerings, curricula, academic policies, and other rules and regulations affecting students, to be effective whenever determined by the College. These changes will govern currently and formerly enrolled students. The current and latest edition of the catalog along with any addendums may be found on the College website, [www.cacc.edu](http://www.cacc.edu). Enrollment of all students is subject to these conditions.

This Addendum is an addition to the Catalog and is to be used alongside the Catalog, not in isolation. Changes listed in the Catalog Addendum supersede the published Catalog.

Catalog Page Reference: Page 2

Effective Date: Fall 2020 (8/28/2020)

Summary of Changes: *New Complaint Process for Online Students was added.*

## **Complaint Process for Online Students**

All complaints must follow the institution's standard procedure for resolution as outlined in the CACC Student Handbook. If, after following the institution's standard procedure for resolution, an online student residing outside the State of Alabama does not feel this process provided a satisfactory resolution, the student may visit the NC-SARA Student Complaint Process at <https://www.nc-sara.org/student-complaints>. Grade appeals and conduct complaints are expressly excluded by NC-SARA.

# Dual Enrollment for Dual Credit

Catalog Page Reference: Pages 20 - 22

Effective Date: Fall 2020 (7/16/2020)

Summary of Changes: *Notice of consideration for alternative methods of placement testing due to extenuating circumstances has been added.*

## ***Dual Enrollment for Dual Credit***

Dual Enrollment for Dual Credit is an enrichment opportunity allowing eligible high school students to earn high school and college credits for courses taken through an Alabama Community College System (ACCS) institution while still enrolled in high school. Dual Enrollment for Dual Credit is available to students attending public, private, parochial or church/religious schools pursuant to §16-28-1 of the Code of Alabama 1975, or who are receiving instruction from a home school/private tutor pursuant to §16-28-5 of the Code of Alabama 1975.

Central Alabama Community College is authorized to establish Dual Enrollment for Dual Credit agreements with local educational agencies (LEAs) in the institution's service area. CACC may also establish agreements with private, home school/private tutor, parochial, or church/religious secondary entities. Establishment of Dual Enrollment for Dual Credit agreements with LEAs and other secondary educational entities outside of our service area must be through written, mutual consent of the respective ACCS institution president. All out-of-service-area agreements must be filed with the Academic and Student Affairs Division of the ACCS and the LEAs or other secondary educational entities.

To be eligible for admission, Dual Enrollment for Dual Credit Students must meet the following criteria:

- I.** Students must satisfy the admission requirements, with the exception of proof of high school graduation or GED completion.
- II.** In the absence of an Alabama driver's license or state-issued ID card, a student may provide a certified copy of their birth certificate to establish U.S. citizenship and a printout of the student information profile sheet from iNow signed and dated by their high school principal to establish current residency and identification. The profile sheet must show the student's home address and include the student's photo.
- III.** Students must be in grade 10, 11, or 12. An exception may be granted by the Chancellor for students documented as gifted and talented in accordance with Alabama Administrative Code §290-8-9.12.
- IV.** Students seeking enrollment in Dual Enrollment for Dual Credit coursework must have a minimum cumulative (unweighted) high school grade point average of 2.5 on a 4.0 scale.

- V. Students must have written approval of the appropriate principal or career and technical education program representative (if applicable) and counselor. Dual Enrollment for Dual Credit eligibility for students enrolled in private, home school/private tutor, parochial, or church/religious secondary educational entities must be documented in writing by an appropriate school official. Approval from secondary school officials indicates that the student has demonstrated both academic readiness and social maturity.

Central Alabama Community College has the right to restrict a student's enrollment on the basis of academic readiness, social maturity, health and safety concerns, course availability, and/or local institutional policy.

All dually enrolled students must take the Accuplacer, a state-approved college placement test where minimum placement is required, specifically for college-level English or math courses. Note: The College, with approval from ACCS, may provide alternative methods of placement testing under exceptional circumstances, i.e. remote testing due to Covid-19 pandemic. Students in the 10th or 11th grade registering only for career and technical courses may take a state-approved placement test but are not required to do so. Colleges must ensure that all students take a state-approved college placement test prior to registering for dual enrollment courses for the 12th grade year.

Students must meet all applicable pre-requisites prior to enrolling in courses.

Developmental courses (those numbered below 100) are not offered through dual enrollment.

Students registering for career and technical courses must provide a four (4) year plan. All dually enrolled students must provide a completed *Statement of Eligibility* form from the high school and a registration form for each semester enrolled.

# Dual Enrollment Course Offerings

Catalog Page Reference: Page 22

Effective Date: Fall 2020 (7/16/2020)

Summary of Changes: *Clarification has been added regarding the concurrent teaching of dually enrolled and non-dually enrolled high school students.*

## *Dual Enrollment Course Offerings*

Dual Enrollment for Dual Credit courses offered by Central Alabama Community College shall be of postsecondary/college level. Students may be exposed to and be involved in discussions of mature subject-matter. Course curricula will not be modified. Courses may be offered at approved locations on or off campus(es). Courses may be cancelled at the discretion of the institution for reasons such as, but not limited to, low enrollment or lack of credentialed faculty.

Courses offered shall be drawn from the existing academic inventory of credit courses. Only courses required in the student's program of study will be eligible for Dual Enrollment for Dual Credit. Developmental courses (those numbered below 100) are not offered through dual enrollment.

Dually enrolled students may not audit courses.

Per ACCS, dually enrolled and non-dually enrolled high school students may be concurrently taught in the same course. However, CACC does not allow dually enrolled and non-dually enrolled high school students to be concurrently taught in the same class at this time. The instruction will be taught at the collegiate level and in compliance with the syllabus of the college course.

Dual Enrollment for Dual Credit programs must operate on the college schedule, which may vary greatly from the high school schedule. Students must follow the CACC schedule for Dual Enrollment for Dual Credit courses. CACC is not responsible for the supervision of Dual Enrollment for Dual Credit students during non-class times or periods of absence. Students must adhere to all institutional policies and requirements including, but not limited to, those outlined in course syllabi, the academic calendar, the college catalog, the *Student Handbook*, and the Student Code of Conduct. Central Alabama Community College reserves the right to refuse re-admission to any student who violates institutional policies.

# Transcripts

Catalog Page Reference: Page 29

Effective Date: 12/11/2020

Summary of Changes: *Link was updated for requesting official transcripts*

## *Release of Transcripts*

Central Alabama transcripts will not be released until all financial obligations have been satisfied. Transcripts received from other schools and colleges become the property of Central Alabama Community College and copies will not be released.

Information on requesting official transcripts for sending to a third party is located on the College website at <https://www.cacc.edu/transcripts/>.

# Tuition and Fee Rate

Effective Date: Fall 2020 (7/13/2020)

Summary of Changes: *Central Alabama Community College no longer charges a late registration fee. Revisions were made to remove references to late fees.*

## PAYMENT

All students who have not completed payment by or confirmed financial assistance and sponsorship awards\* by final registration date will be removed for nonpayment. All outstanding balances must be paid prior to the first official class day of the term. Payment of tuition, fees, and other charges may be made by cash, personal check, cashier's check, traveler's check, money order, debit card, or credit card.

Students utilizing VA education benefits shall not be charged a penalty, including assessment of late fees, denial of access to classes, libraries, or other institutional facilities, or be required to borrow additional funds because of the individual's inability to meet their financial obligations due to the delayed disbursement of the payment to be provided by the Department of Veteran Affairs.

*\*Common forms of financial assistance include Pell Grants, Stafford Loans, Supplemental Educational Opportunity Grants, institutional scholarships, third-party scholarships, Vocational Rehabilitation, WIOA, TAA, etc.*

# Withdrawals and Refunds

Catalog Page Reference: Page 50

Effective Date: Fall 2020 (7/13/2020)

Summary of Changes: *Revisions have been made to the percent of tuition and fees eligible to be refunded.*

## ***Complete Withdrawal***

A student who officially withdraws from the College before completing the semester may claim a refund according to the following schedule:

Withdrawal before the first day of the term as published in the College Catalog and semester schedule	100% of tuition and fees refunded
Withdrawal during the first week of classes	70% of tuition and fees refunded
Withdrawal during the second week of classes	45% of tuition and fees refunded
Withdrawal during third week of classes	20% of tuition and fees refunded
Withdrawal after close of third week of classes	No refund

Any student involved in an incident such as, but not limited to, unsatisfactory clinical performance will receive the grade of “F” in the course, which will not be posted until the end of the semester to the student’s transcript. The student will not be allowed to withdraw regardless of the College published withdrawal date. **This policy supersedes the College withdrawal policy. A student assigned a failing grade by an instructor in the aforementioned circumstance may appeal the grade using the published grade appeal process outlined in the Student Handbook and College Catalog.**

# Non-Credit Skills Training

Catalog Page Reference: Page 58

Effective Date: Summer 2021 (4/27/2021)

Summary of Changes: *Additional non-credit skills training option was added to Non-Credit Skills Training.*

The College provides short-term skills training non-credit options designed to prepare students for high-demand job opportunities. Students complete competency-based courses leading to short term credentials and licensure required by industry. The College currently offers Integrated Education & Training (Adult Education and Ready-to-Work) and non-credit skills training options in Phlebotomy, Truck Driver Training, and Welding.

## ***Non-Credit Marine Service Technician***

This is a program that prepares individuals to apply technical knowledge and skills to repair outboard and inboard engines; test, maintain, and repair steering devices and electrical systems; repair metal, wood, and fiberglass hulls and vessel components; fabricate and maintain sails; and repair and balance propellers and drive shafts.

# Additional Non-Credit Skills Training Options

Catalog Page Reference: Pages 59-60

Effective Date: Fall 2020 (8/3/2020)

Summary of Changes: *Effective Fall 2020, the Clinical Medical Assistant Program, Dental Assisting Program, Medical Billing and Coding Program, and the Pharmacy Technician Program options are no longer available at Central Alabama Community.*

# Classifications of Students

Catalog Page Reference: Pages 70

Effective Date: Fall 2020 (7/16/2020)

Summary of Changes: *The number of hours used to determine freshman and sophomore levels have been updated.*

## CLASSIFICATIONS OF STUDENTS

Students who have earned 29 semester hours or less are classified as freshmen. Those who have earned 30 hours or more are classified as sophomores.

# Course Forgiveness

Catalog Page Reference: Page 71

Effective Date: Fall 2020 (7/16/2020)

Summary of Changes: *The Course Forgiveness section of the Catalog has been updated to reflect changes in the course forgiveness process including how course forgiveness will affect grade point averages and appear on transcripts.*

## COURSE FORGIVENESS

Course forgiveness is implemented when a student repeats a course and the last grade awarded (excluding grades of W and WP) replaces the previous grade in the computation of the cumulative grade point average. The grade point average during the term in which the course was first attempted will not be affected. The official transcript will list the course and grade each time it is attempted.

When a student completes a course more than once, all grades for the course (excluding the first grade) will be used in computing the cumulative grade point average. Official transcripts will list each course in which a student was enrolled.

A student may repeat a course more than once, but that course may be counted only once toward fulfillment of credit hours for graduation.

**NOTE: STUDENTS SHOULD CHECK FINANCIAL AID REGULATIONS REGARDING REPETITION OF COURSES.**

# Applying for Financial Aid

Catalog Page Reference: Pages 80 – 81

Effective Date: Fall 2020 (7/13/2020)

*Summary of Changes: The portal used by students to check their financial aid status/account has been renamed from MyCACC to OneACCS. Revisions have been made to reflect this change.*

## *Applying for Financial Aid*

Students applying for financial aid must complete the following steps:

- I. Students must apply for admission to Central Alabama Community College and complete all enrollment requirements prior to receiving financial aid awards. This process includes submission of official high school transcripts, GED scores and certificates, and official transcripts from all previously attended colleges to the Office of Enrollment Services. **Transient students are not eligible to receive federal financial aid.**
- II. Students must complete the Free Application for Federal Student Aid (FAFSA) at [www.fafsa.gov](http://www.fafsa.gov) and list the Central Alabama federal school code (001007) on their applications. Students are responsible for checking their OneACCS and CACC email accounts frequently to determine if any additional documentation is required to complete the processing of their financial aid awards.
- III. Approximately one-third of all financial aid applications are selected by the U.S. Department of Education for a process called verification.
- IV. Students are responsible for checking their CACC email accounts and their OneACCS accounts frequently.
- V. Once all required paperwork has been received and verified, financial aid awards will be posted to the student's OneACCS account. Financial aid payment is prorated based on student enrollment status. To be considered for a Federal Direct Stafford Loan, the student must be enrolled for at least six semester hours.

***IMPORTANT NOTICE:*** *Students are expected to attend all classes for which they are registered. Students ARE NOT eligible to receive financial aid for classes never attended or for audit courses.*

# Satisfactory Academic Progress (SAP)

Catalog Page Reference: Pages 81 - 83

Effective Date: Fall 2020 (7/21/2020)

*Summary of Changes: The Satisfactory Academic Progress (SAP) policy has been revised to correct a typographical error under the Quantitative Standard – Maximum Timeframe section. Additional changes were also made regarding incomplete grades, rounding of completion rate/PACE calculations, how incomplete grades and grade changes are treated in the SAP process, and a financial aid appeals process was included.*

## Satisfactory Academic Progress (SAP)

Satisfactory Academic Progress (SAP) is measured at the end of each semester of enrollment at Central Alabama Community College (CACC). Students are required under federal regulations to maintain certain standards of progress based on the number of hours attempted in college. It is the student's responsibility to read and become familiar with all policies associated with financial aid funding.

### ***Qualitative Standard – Grade Point Average (GPA)***

GPA requirements for degree-seeking students:

- After attempting 0-21 hours, students must maintain a 1.5 GPA.
- After attempting 22-32 hours, students must maintain a 1.75 GPA.
- After attempting 33 or more hours, students must maintain a 2.0 GPA.

### ***Quantitative Standard – Completion Rate/Pace of Progression (PACE)***

Completion Rate/Pace of Progression (PACE)\* requirements for degree-seeking students:

- After attempting 0-21 hours, students must maintain a 58% completion rate.
- After attempting 22-32 hours, students must maintain a 62% completion rate.
- After attempting 33 or more hours, students must maintain a 67% completion rate.

*\*Standard rounding rules apply.*

### ***Quantitative Standard – Maximum Timeframe***

The maximum timeframe for the completion of an undergraduate degree program is defined as no more than 150% of the normal timeframe required to complete the degree program. For example, if the Associate in Science degree requires 64 credit hours to graduate, the maximum timeframe of completion for this degree would be 96 credit hours (64 x 150%). Students failing to complete their degree program within this timeframe will lose financial aid eligibility.

All courses attempted by the student are included in the maximum timeframe calculation including transfer hours accepted by the College. The maximum timeframe will not reset with a change of program. However, students may appeal if mitigating circumstances or circumstances beyond a student's control exist. Students should be aware that appeals may require supporting documentation. Students who have previously graduated with a degree (bachelors or associates) will be reviewed for maximum timeframe based on the hours attempted of the current program of study. Students who are over maximum timeframe and have earned three (3) or more degrees from CACC will lose financial aid eligibility and may appeal.

### ***Warning Semester***

If a student fails to meet the Qualitative Standard – Grade Point Average (GPA) and/or the Quantitative Standard – Completion Rate/Pace of Progression (PACE) for Satisfactory Academic Progress, the student will be placed on “warning” for one semester. During this warning semester, the student will receive financial aid; however, the student must be meeting both the Qualitative Standard – Grade Point Average (GPA) and the Quantitative Standard – Completion Rate/PACE requirements at the end of the warning semester to continue to receive financial aid. There is no warning semester for Maximum Timeframe.

### ***Additional Information Regarding SAP Calculation***

The following information explains how repeated courses, incompletes, withdrawals, academic bankruptcies, course forgiveness, developmental courses, transfer credits, and grade changes are treated in a student's SAP calculation.

- Repeated courses are factored into the GPA, Completion Rate/PACE and Maximum Timeframe calculations. The *first* repeat course will not be calculated into the GPA requirement. Students can only repeat a successfully passed course using federal aid one additional time. Repeats may affect a student's Completion Rate/PACE.
- Incomplete grades (“I”) are factored into the completion rate/PACE and maximum timeframe requirements. When an “I” is updated to a final grade, the final grade received will be factored into the SAP calculation at the time of the next scheduled evaluation. SAP calculations for all other grade changes instituted for prior terms will be recalculated at the time of the grade change. For all other grade changes instituted for prior terms, SAP is recalculated at the time of the grade change.
- Withdrawals are not factored into the GPA calculation; however, withdrawals are included in the Completion Rate/PACE and maximum timeframe calculations.
- Transfer credits accepted by the College will not be factored into the GPA calculation but all accepted credits are included in completion rate/PACE and maximum timeframe calculations. Following acceptance of transfer credits, an official review of these transfer credits will be completed at the end of the next semester of enrollment at CACC.
- Course Forgiveness and Academic Bankruptcy are factored into the GPA, completion rate/PACE, and maximum timeframe calculations.

- Developmental courses are factored into the GPA, completion rate/PACE, and maximum timeframe calculations. A student may receive federal aid for up to 30 developmental hours.
- Courses dropped during the add/drop period are not factored into GPA, completion rate/PACE or maximum timeframe calculations.
- Audit courses are not considered credits attempted or earned; therefore, students cannot receive federal aid for audited courses. Audited courses are not considered in the SAP calculation.
- Completion rate/PACE calculations are rounded based on traditional rounding rules (e.g. 66.5% = 67%).

### ***Financial Aid Appeal***

In some cases, a student's failure to be in compliance with one or more areas of SAP may be due to a mitigating circumstance. A mitigating circumstance is defined as a situation beyond the student's control, an undue hardship as a result of special circumstances, or other circumstances. Some examples of mitigating circumstances may include: serious illness or injury to student that required extended recovery time; death or serious illness of an immediate family member; significant trauma in student's life that impaired the student's emotional and/or physical health; or other documented circumstances.

A student who experiences a mitigating circumstance may submit a financial aid appeal. If a student files an appeal due to the maximum timeframe, he/she must be meeting the other two components (GPA and Completion rate/PACE). An appeal cannot be approved for a prior term.

Financial aid appeals should be received in the Financial Aid Office by close of business two days prior to the first day of classes. Submitting a financial aid appeal is NOT an automatic approval.

The decision of the Admission, Academic, and Financial Aid Appeals Committee will be electronically delivered via CACC email to the student from [financial\\_aid@cacc.edu](mailto:financial_aid@cacc.edu). The decision of the Admission, Academic, and Financial Aid Appeals Committee is final. You may also view your Satisfactory Academic Progress (SAP) status in your OneACCS Self-Service Banner (SSB) account.

# Official and Unofficial Withdrawals

Catalog Page Reference: Page 83

Effective Date: Summer 2021

Summary of Changes: *Updates were made in accordance with federal regulatory changes*

## *Official and Unofficial Withdrawals*

Students who receive Title IV Federal financial aid (Pell Grant, FSEOG, IASG, and Federal Student/Parent Loans) may have their financial aid adjusted if they have a complete withdrawal or fail to earn a passing grade during the semester. In addition, students who have a complete withdrawal status prior to the disbursement of aid for the semester may also result in an adjustment. This adjustment would be made based on assistance earned up to the point of withdrawal.

A student's official withdrawal date is defined as the date the student officially withdraws from all classes for that semester.

A student is considered to have unofficially withdrawn for financial aid purposes when (1) the student does not complete the official withdrawal process, AND (2) the student fails to earn passing grades in courses for which he/she is registered for at the end of that semester/term. The student's unofficial withdrawal date will be defined as the student's last date of academic related activity/engagement or mid-point of the semester as to best benefit the student as reported by the instructors.

Students receiving Title IV federal financial aid who are considered to be officially OR unofficially withdrawn may owe some or all of their federal aid back to the institution and/or the U.S. Department of Education based on the Return of Title IV Calculation.

# Return of Title IV Refunds and Calculations (R2T4)

Catalog Page Reference: Pages 83 - 84

Effective Date: Summer 2021

Summary of Changes: *Updates were made in accordance with federal regulatory changes*

## *Return of Title IV Refunds and Calculations (R2T4)*

Title IV aid is earned based on the period of time a student remains enrolled. Unearned Title IV aid must be returned to the College and/or to the U.S. Department of Education. Unearned aid is defined as the amount of Title IV aid disbursed that exceeds the amount of Title IV aid earned.

If a student receiving federal financial aid completely withdraws or stops attending school, the College must perform a Return of Title IV calculation to determine if any Title IV funds must be returned. These monies may be charged back to the student's account and the student will be responsible for the repayment of these funds. For Title IV purposes, the student's unofficial withdrawal date will be defined as the student's last date of academic related activity/engagement as reported by the instructor or the mid-point of the semester/term to best benefit the student.

Students enrolled only in full-term coursework who do not complete at least 60% of the term will owe financial aid monies back based on the Return of Title IV calculation. Beginning Summer 2021, exceptions apply to students enrolled in mini-term/module coursework. Students should contact the Financial Aid Office for a full explanation of the Return of Title IV calculation process.

Effective Date: Fall 2020

Summary of Changes: *Math or Natural Science Elective was erroneously omitted from the degree’s General Education & Electives.*

## Welding

### Associate in Occupational Technology Degree (AOT)

#### At a Glance

The Welding program at Central Alabama Community College provides students with the knowledge and skills in the heating and melting of metals. Students experience rigorous hands on training with cutting, forming, and the permanent jointing of metal products used in construction of bridges, buildings, and ships some of which are done in conjunction with computers and robots. Students often work on assembly lines, steel mills, railroad shops and highway departments.

# Registered Nursing – Evaluation

Catalog Page Reference: Page 190-191

Effective Date: Fall 2020

Summary of Changes: *Revisions were made to correct a typographical error on the grade scale used for the theory portion of nursing classes (59 and below).*

## ***Evaluation***

Within any given course, the grading policy shall be determined by the instructor(s). The grading policy shall be presented at the beginning of the term and will govern the evaluation process.

A student’s progress through the nursing curriculum is evaluated utilizing a variety of methods of evaluation including, but not limited to, examinations, clinical performance evaluations, assignments, and standardized assessments/achievement examinations.

Clinical evaluations will be determined on a satisfactory/unsatisfactory performance rating scale. Clinical evaluations are based upon the student’s performance of nursing care and correlated nursing written assignments. An unsatisfactory clinical evaluation will result in a grade of “F” for the nursing course regardless of the theory grade for the course.

***Any student involved in an incident such as, but not limited to, unsatisfactory clinical performance will receive the grade of “F” in the course where the incident occurred. The “F” will be assigned in the instructor’s grade book on the day the incident occurred, but will not be posted until the end of the semester to the student’s transcript. The student will not be allowed to withdraw any time after the incident even if the incident occurs prior to the College’s published withdrawal date. This policy supersedes the College’s withdrawal policy if such an incident occurs. A student assigned a failing grade by an instructor in the aforementioned circumstances may appeal the instructor’s decision by following the Complaint and Grievance Procedures outlined in the CACC Student Handbook.***

The following grading scale is used for the theory portion of nursing courses taught at Central Alabama Community College:

A	90- 100
B	80 - 89
C	75 - 79
D	60 - 74
F	59 and below
I	Incomplete
W	Withdrawal

A grade of “C” is required in every course within the nursing curriculum in order to progress through the nursing program. In order to pass a nursing course, the student must achieve a grade of “C” or better in theory and must have a satisfactory clinical evaluation. There will be no rounding of test scores or final course grades in the nursing program.
