

2022-2023 CATALOG ADDENDUM

Central Alabama Community College (CACC) reserves the right to make changes in the offerings and regulations announced in publications as circumstances may require. Every reasonable effort has been made to present information, at the time of publication, that accurately describes the curriculum and the regulations and requirements of the College; however, no responsibility is assumed for editorial or publication errors. Statements in the catalog do not establish contractual relationships and the College reserves the right to make changes as required in course offerings, curricula, academic policies, and other rules and regulations affecting students, to be effective whenever determined by the College. These changes will govern currently and formerly enrolled students. The current and latest edition of the catalog along with any addendums may be found on the College website, www.cacc.edu. Enrollment of all students is subject to these conditions.

This Addendum is an addition to the Catalog and is to be used alongside the Catalog, not in isolation. Changes listed in the Catalog Addendum supersede the published Catalog.

Catalog changes included in this Addendum are listed below:

- Workforce Division – Marine Service Technician Noncredit Skills Training – Catalog page 208

Workforce Division – Marine Service Technician (Noncredit Program)

Catalog Page Reference: Pages 208

Effective Date: Fall 2022

Summary of Changes: *Corrected Marine Service Technician Skills Training Offerings; removed Marine Technician Fundamentals Certification, Marine Systems Certificate, and Marine Electrical Systems Certificate Courses.*

Marine Service Technician (Noncredit Program)

This non-credit program prepares individuals to apply technical knowledge and skills to repair outboard and inboard engines; test, maintain, and repair steering devices and electrical systems; repair metal, wood, and fiberglass hulls and vessel components; fabricate and maintain sails; and repair and balance propellers and drive shafts.
