Good Morning!

CACC has received CARES (HEERF II) funding.\*

At this time, our records indicate that you do not have a confirmed citizenship status. CARES (HEERF II) funds require us to review citizenship. Please click this link, <https://dynamicforms.ngwebsolutions.com/Submit/Start/30f36923-7bc5-485f-817a-4bebb58e600f>, to confirm your citizenship and upload your documentation (your driver's license will **not** confirm citizenship) so that CACC can determine if you will be eligible to receive CARES (HEERF II) funding. If you have not completed an electronic dynamic form, you will have to create an account. Your form must be received by the **extended deadline of Tuesday, April 13, 2021**, deadline to be considered for CARES (HEERF II) funding. Late or incorrect submissions will not be considered.

\*Please note that all registered students may not be eligible to receive CARES (HEERF II) funds.

**\*\*If you have already completed this electronic form with an attached your Birth Certificate, U.S. Passport, or U.S. Naturalization Certificate, please disregard this email.\*\***

Thank you and Have a great day!
