

IMPORTANT NOTICE

We are concurrently experiencing difficulty with our ERP system. The situation is being addressed; however, it will take a little time to resolve.

In order to better serve you during this time, we are extending the deadline for spring semester tuition payment to **4:30 p.m. on Monday, January 7**. All payments must be made by this time or financial aid confirmed by this time to prevent schedules from being deleted.

If you have any questions or concerns, you may contact Student Services at the numbers listed below:
